7. Memberships

To obtain a new customer number, go to www.everton.com and register a new account, and Everton will send you an email with your unique customer number.

You need to do this for each individual person you want to be a member at Everton FC.

Note, this customer number should not be confused with the official membership scheme to allow you to purchase tickets or for WCB to purchase tickets on your behalf for home games.

The official membership scheme must be paid for each season.

Details of the official membership scheme can be found on the official Everton website, however, in previous seasons we have been allowed to offer a discounted route to this scheme so wait for further details on that.
